**Re: In the Matter of Lifeline and Link Up Reform and Modernization
Notice of Forbearance from Lifeline BIAS Requirements
WC Docket No. 11-42**

On December 2, 2016, pursuant to the *Lifeline Modernization Order*¹ and the *BIAS Forbearance Public Notice*,² we submitted a filing on behalf of Cellular Network Partnership d/b/a Pioneer Cellular ("CNP"), notifying the Commission of CNP's acceptance of forbearance from Lifeline broadband internet access service ("BIAS") requirements throughout its Eligible Telecommunications Carrier ("ETC") service areas.

CNP provided the required information regarding its ETC designation as Attachment A to that filing.

We now supplement the December 2 filing with the list of census blocks in which CNP has accepted the Commission's forbearance. In Attachment B, CNP provides the list of census blocks and associated Federal Information Processing Standards ("FIPS") codes representing the areas in which the Company is availing itself of forbearance.

Although CNP believes all relevant census blocks have been included, it is possible that some may have been inadvertently omitted due to limitations of available mapping

resources. CNP emphasizes that it elects forbearance throughout its ETC service area, and will promptly file a supplement with corrections if errors are identified.

Notwithstanding this forbearance filing and in accordance with the *Lifeline Modernization Order*, CNP reserves the right to offer and receive reimbursement for providing Lifeline-supported BIAS to eligible subscribers.³
